

The London Baby Equipment Hire Company

BABY FOOD BREAKFAST AND BABY MILK (to buy)

For added convenience and to help you and your little one settle in straightaway while you are away from home, you can now also order your baby or toddler's milk and food requirements at the same time as booking your baby equipment. If also ordering baby equipment, delivery of milk and food is free of charge. For milk or food deliveries only (without equipment), express next day delivery is just £10.
